Thank you for your internet representation made on 3rd June 2020 which has been recorded as an objection with the comments as follows:

OWPC27468

In rush hour it takes 1 hour to get into Chichester now - it is only going to get worse as the only road is narrow and often has roadworks or tractors on. We live on a flood plain. Already Hook Lane has been flooded by the Osborne development. No amount of concrete barriers are going to prevent further flooding as it is a widespread problem. The nitrate from the waste water is going to destroy the environment. There is not the infrastructure in place to cope - the infant and junior schools already have a waiting list for their children. It is a nightmare to get a doctor's appointment now with 12,000 patients on their books. It is a huge village - we don't want it made into a town that simply won't be able to cope with the requirements of more people.

Your views as made above will be considered before the application is determined.
