Thank you for your internet representation made on 4th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27483

I wish to object to the planning of housing in Sefter Road, which is a country lane. Our roads cant handle the increase of cars buses etc. We only have one over stretched doctors surgery and no dentist..its just not viable to build on this land, as it has no infrastructure. Utilities cannot with stand,providing more water, as Southern water has already stated,electricity and gas.

It has alot of wildlife there and remains from ww2. Most of all and very importantly the whole area floods, being a flood plain.where would all that water go.

Your views as made above will be considered before the application is determined.
