We moved here 15 years ago from Surrey for our retirement. We love the village and surrounding countryside, the clean sea air etc

The thought that we are going to loose all this is upsetting

It seems a ludicrous desition to even contemplate buildings many times houses on this prime agricultural land ,especially now we have left the European union and will have to be growing more produce for the country and the covid19 compounding this situation is madness

The infrastructure is barely coping now ,how do you expect it to support so many people living in this area.We are totally against the proposed building plans.

Your views as made above will be considered before the application is determined.
