Thank you for your internet representation made on 10th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27648

The road to Chichester is a nightmare and with the amount of lorry traffic is now an extremely dangerous road. The added traffic would make it even worse plus the impact on services such as doctors etc. Also the extra sewage would be diss asterous. Southern Water cannot cope and are already discharging into the rife, poisoning the harbour which is a protected harbour and SSI. This should never have been considered right from the beginning.

Your views as made above will be considered before the application is determined.
