OWPC27772

This housing application is totally inappropriate for Pagham.
It will lead to a huge increase in traffic on the local roads, which are already busy.
That will cause more pollution.
The land is prime farmland with great soil.
It should be used for farming.
With that level of housing more schools will be needed and a other Doctors surgery.
It is an area used by Brent Geese during the winter months.
Do we have enough water for them?
So many questions that need to be answered

Your views as made above will be considered before the application is determined.
