I have just visited my cousin who lives in Rose Green and seen for myself the road (Sefter Road) where in excess of 300 cars are expected to exit from the proposed new houses. Has anyone from the council actually seen this road??? It is a single carriageway, no lines, no pavement, no lights and leads to the junction of the busy Pagham to Chichester road (also, no lights, pavement, single carriageway). I have been told all about the incredible amount of wildlife in this field, some endangered species. Mature trees which help to absorb all the water that accumulates in this field and that is before you ask where are all the children going to go to school as BOTH locals schools are FULL. Dentist, doctors are full. This has to be total madness to build here, grade one prime arable land that I am lead to believe, the local farmers Barfoots NEED to grow their produce, which is even more important now we are out of the EU. This is also on a natural flood plain from the downs.

This application needs to be STOPPED NOW
