Thank you for your internet representation made on 17th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27831

To consider building more property is reckless.

The road leading to Chichester roundabout is already an accident blackspot already and is also used by seasonal workers, forced to walk without a pavement.

The area simply does not have the infrastructure for more houses - particularly schools, transport and hospitals.

The development would also threaten Pagham Harbour Nature Reserve and the rare species that live there.

Your views as made above will be considered before the application is determined.
