Re: 3, Old Barn Close, Pagham.

Following our conversation I have once again spoken to Mrs. Chown who has agreed to reduce the conservatory projection to 3.00 metres as discussed.

To compensate for the subsequent loss of proposed floor area I have increased the length to 4.00 metres taking the conservatory across the existing rear entrance door.

I am pleased to submit two copies of amended plans as required.

Yours sincerely,

Re: 3, Old Barn Close, Pagham.

Following our conversation I have spoken to Mrs. Chown who has agreed to reduce the length of the proposed conservatory in exchange for a slightly wider one.

The width is really governed by the distance between the kitchen door and bathroom window.

I have thus calculated the original proposed floor area and replicated it within the amended scheme. I have therefore reduced the conservatory's length by 500mm which I hope is acceptable to you and shows neighbourly spirit to the aggrieved neighbour.

I am pleased to submit two copies of amended plans.

Yours sincerely,
