Subject: Pagham responses

At a meeting of its Planning Committee held on 27th June 2018, Pagham Parish Council considered the following application:

P/25/18/PL – Jenin, Nyetimber Lane, Pagham PO21 3JT – Demolition of existing garage, roof alterations to existing dwellings to provide first floor and 1No new bungalow dwelling in garden of existing dwelling. RESOLVED: to continue with the Council's OBJECTION to this application as previously submitted. Access is of particular concern here due to the narrow accessway which would not be suitable for builders. The Council questions the feasibility of building in this location.

Best wishes

Nicola Swann
Clerk & RFO
Pagham Parish Council
