P/26/26/DOC

Address: Salt House Church Lane Pagham PO21 4NX

Proposal: Approval of details reserved by condition under P/140/25/L relating to conditions 3- Site Meeting and 4- Method Statement & Materials.

Comments: Following a site meeting with the applicant and the stonemason, it was agreed that, given the complex nature of the works required, I would revisit the property during the implementation of the works to discuss the ongoing repairs.

The materials identified, in particular the proposed use of Fittleworth stone, together with the methodology described and discussed on site, are considered acceptable.
