REY 7 WEBB CLOSE.

Dear Sir.

I wish to object to the planning of 7 Webb Close
Pagham

P/107/61/PL.

9.9.2016 - Planning approved for 2+2 Bedroom semi detached houses with 2 parking spaces on site for each house. The original roof elevations plans do not show the provision of Velux windows in the roof space.

Planning notice P/2/19/PL

I am concerned that my privacy will be invaded
the new houses will have direct view into my
two back bedrooms.

If permission is granted there could be 6
houses and not the original 4 this will have
a detrimental effect on Parkmead in
Mulberry Court, more cars will cause congestion
no large vehicles can gain access - DustCarts
fire engines ect.

Therefore I wish to oppose these plans

Yours Faithfully

K. H. BROWN
