Dear Maria,

Further to your email, please find attached drawing 17017_601, as requested.

If you require any further information, please let us know.

Kind regards
Angela

Dear Miss Roberts,

I would like to ask you for the provision of a section showing the position of the proposed velux windows from the finished floor level of the proposed bedroom.

In case you can't provide the section, your confirmation of the high level of the proposed velux will be sufficient.

This requirement is due to the possibilities of the further overlooking and the objections received.

Kind regards

Maria
