Subject: Planning Application P/30/19/OUT

Dear Sir,

I wish to object to the above application to build 300 homes, primary school & care home submitted by Hallam Land Management, for the same reasons that I objected to there original plans which were:-

Building on Prime Agricultural Land

The development would cause Gridlock on the Pagham Road as it most likely that each home will have 2 cars.

The Land is liable to flooding.

The doctors Surgeries in the area are full to bursting now

This development, if it is allowed to go ahead will change entirely the area from a village to a town.

I wish to add that the Artists impression of the new homes is unbelievable, only one car, which dream world is this Artist living in!!

Yours faithfully

Miss E I Edgeler
