Land north of Hook Lane Pagham

Thank you for your internet representation made on 11th May 2019 which has been recorded as **'an objection'** with the comments as follows:

Traffic problems.Are you aware of the traffic problem that occurred about four weeks ago, there was an accident on the big roundabout going into Chichester and the tail back was all the way past the Hunston roundabout,past the Walnut Tree pub roundabout and on towards Pagham.I imagine that the traffic would have been as bad from the Selesy road to Chichester.So if the emergency services need to get in and out of Pagham or Selesy they would have had a hard job, with this in mind can our roads cope with added traffic I think not. There are other issues about using land that floods,but does provide food which more than the people will provide if you allow this development as there not that many jobs here in Pagham so they will have to travel ,no schools , no doctors surgery, no shops for them , so a green field will become an environment disaster.So in years to come will be able to say you did the right thing and say no to this development and tell the house builders not to come knocking on our door again?

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking.
