This application may affect the setting of a listed building (resubmission following P/6/17/OUT).

Land north of Hook Lane Pagham

Thank you for your internet representation made on 12th May 2019 which has been recorded as 'an objection' with the comments as follows:

Planning application P/30/19/OUT for land at Hook Lane. I object to this application. It seems to be the same as their previous application which is now in the appeal process. That process should be completed before the same again is considered by Arun District Council. I also agree with those who say the hearings should be held in Pagham.

My concerns are:-

*the loss of yet more good agricultural land,
the increased traffic on the already busy and congested Pagham Road (this is a country B Road) coping with more traffic than it was designed for,
there is no large employer in Pagham so people will have to travel to work out of area,
the flooding risks will increase further with more land concreted over (the site was flooded and / or water-logged all this winter, Pagham is low lying and that water will have to go somewhere,
the further flooding risks if the sea breaches the little defences we have,
Pagham Harbour and the surrounding area is an SSSI and quite a few other protections as well.*

Pagham is village please turn this application down as you did the last one.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small

number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
