Dear Sir.

Re: P30/19/OUT

Once again writing to say
NO to houses in Hook
ham, indeed Pagham for
all the obvious reasons
who is coming to live, poor
where work. DRS infrastructure
loss of FOOD. Pollution -
only have to look over the
fields to see the road cases
from green houses. The
country side needs to
be kept. No wonder so
many children - and adults
with asthma, with even more

cars trying to get over the A27?

In despair.
