Dear All

Please see the attached.

Given these comments please can you advise whether or not ADC has given any consideration to the imposition of a Tree Preservation Order on any of the trees on this site and if not why not? Also please can you advise whether or not any consideration has been given to whether or not the hedgerows on this site are protected under The Hedgerows Regulations 1997 and if not why not? In regard to the latter you may find it helpful to refer to <https://www.gov.uk/guidance/countryside-hedgerows-regulation-and-management> I did!

A response before your report is finalised would be appreciated but a response before the application under Council ref P/30/19 OUT is considered by the DCC on 7 August 2019 is essential as my questions and your responses are material considerations.

Thanks

Paul Collins BA (Hons) DipTP MRTPI
