I am writing to say that this application should be denied in Pagham as the area has already enough building being forced on it with two big developments taking place right now which have made the place a nightmare to negotiate at rush hour plus the doctors surgery cannot cope with all the extra occupants it will bring there is not enough infrastructure put in to support them, schools have waiting lists building on the land causes flooding and the sewers can't cope

Please give this your consideration at the next planning meeting

Yours truly
Valerie Creber
