Dear Sir/Madam

Re: Objections to P/30/26/OUT and
P/31/26/OUT

We already have excessive numbers of approved developments in and nearby Pagham. The roads in and out of the area are busy and the extra traffic from the already planned developments will cause havoc .
Building more developments just does not make sense.

The Doctors , Dentists and Pharmacists struggle now to cope. In the future residents will suffer mentally and physically!

We strongly object to Summer Lane being used by home owners of the proposed development. It is not designed for 2-way traffic.

If these further planned developments go ahead there will be disastrous effects on the local wildlife, especially deer and pheasants.

Please note our objections.

Yours faithfully

Brenda and Derek Clewley
42 Summer Lane
