Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 12th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82736

This is overdevelopment in Pagham on prime agricultural land. The number of new houses in Pagham is disproportionate in comparison to other areas in Arun. A mass of developments are already progressing without the adequate infrastructure. Doctors, Dentists, Schools, drainage, and a proper road structure to join the A27. Summer Lane itself isn't wide enough to cope. Vehicles already need to mount the pavement at the pinch point between Farmers close and Pagham Road. The visibility slay leaving Summer Lane to Chichester is fundamentally dangerous as there is a blind spot on visibility to the right. Part of Summer Lane is unadapted with no street lighting. Who is going to pay for the upkeep of this part of Summer Lane moving forward. Will it be adopted? There is a playground that exits right onto Summer Lane with no crossing. These proposals will affect the proposed cycle path to Chichester. There will be too much traffic using a road that was only ever meant to be a country lane.

Your views as made above will be considered before the application is determined.
