Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 15th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82832

SUMMER LANE DEVELOPMENT - HAVE YOUR SAY

Two planning applications have been submitted for up to 250 houses at the end of Summer Lane:

P/31/26/OUT (130 houses)
P/30/26/OUT (120 houses)

Pagham has already taken more than its fair share of development, and this proposal would put even more pressure on:

Roads and traffic
Doctors & dentists
Schools
Drainage systems
Our local environment

Summer Lane is already used by HGVs accessing the water treatment works. It's narrow, has limited pedestrian space, and is used daily by walkers, cyclists and families.

We are being told construction traffic won't use Summer Lane - but there is no guarantee in writing. We would require this in writing to protect residents both in vehicles and pedestrians

This is about overdevelopment and protecting our area.

Your views as made above will be considered before the application is determined.
