Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT

Site Address: Land North of Summer Lane Pagham

Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 15th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82840

We are objecting to this development as Pagham is currently being very much over developed without the necessary infrastructure being put in place, we need doctors, schools, dentists etc. Access to the site via Summer Lane will be a further nightmare for the residents, who are only just getting over the last development, the main road in and out of Pagham was not built for the additional volume of traffic which this development will incur, it barely copes now. In the past couple of years building has been relentless with temporary lights, problem's getting into work/children going to school, attending hospital appointments etc. we have also lost the wildlife who inhabited this area, especially the Brent geese who visited every year, have been forced out by this overdevelopment.

Your views as made above will be considered before the application is determined.
