Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 18th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82912

I oppose this plan as we have had enough new building in Pagham. As a nature lover, I was thrilled to regularly spot hedgehogs and their babies in my garden. From 2013 there has been a decline and now a complete extirpation of hedgehogs for a number of years. I dread to think what further development will do to the small birds around Summer lane and its impact on Pagham Harbour Bird Reserve. The infrastructure can not cope at the moment, this winter the Pagham rd route to Chichester has been inaccessible on many occasions due to flooding. What is going to happen to our food with the decline in agricultural land as we are more dependant on imports and prices soar with the current unstable political climate? Finally 'Dirty Business' and the increase in sewage dumps show us that Southern Water can not cope with the current population let alone another 250+ more households

Your views as made above will be considered before the application is determined.
