Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 20th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82933

Dear Sir/Madam

Please see below my objections to the above planning application for the land north of Summer Lane.

RISK OF FLOODING - The risk of flooding in the area will increase greatly due to the raised level of ground proposed in building this development. Mill Farm is at extreme risk! The current ditch that protects Mill Farm is not adequate as the development is considerable lower than the proposed construction.

LOSS OF AGRICULTURAL LAND - The loss of good purposeful agricultural land with an ongoing need for crops to be grown locally thus reducing the overall carbon footprint.

INCREASE IN VOLUMN OF TRAFIC AND CAR POLLUTION - The increased volume of cars using Summer Lane (Drew Smith the builders for Summer Fields were denied further planning for 18 house as it was stated Summer Lane could not cope with the extra volume of traffic) could increase to over 100 cars using an unadopted road. There is also a possibility that the road could be used as a cut through from the other 70 houses - how could this be managed? The lane still has to be accessed by the water treatment plant and any agricultural vehicles.

RESTRICTED ACCESS - Access into Summer Lane and from Summer Lane onto the Pagham road is already dangerous with blind spots and is only the width of one car! At present two cars passing on the adopted and some areas of the unadopted road have to mount the pavement which is extremely dangerous which young children, walkers with dogs and all others.

OVERALL AREA OF PAGHAM - 5 DEVELOPMENTS - At present there are two developments which have been ongoing for the past two years and two further developments about to commence all which will have exits onto the Pagham Road. Pagham is a village not a town and cannot cope with this overall increasing of housing development.

PUBLIC RIGHT OF WAY - Summer Lane is a Right of Way and used by many many families, walkers, bird watchers and dog owners. It is also a very busy route for cyclists. In its present state Summer Lane can be extremely busy; we have tankers using the road from 3am going to the treatment plant, nearly 200 privately owned car users from Water Meadows Way, Jennings Close, Farmers Close and residents of Summer Lane itself. There are also pick ups from WSCC school bus for children with disabilities from Water Meadows Way and Farmers Close using the road; so any increase in traffic would have a detrimental affect on the area.

Your views as made above will be considered before the application is determined.
