Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT

Site Address: Land North of Summer Lane Pagham

Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 21st April 2026 which has been recorded as an objection with the comments as follows:

OWPC82973

My objections to this proposed development are the narrowness of Summer Lane & the need to mount the pavement when 2 cars pass. There is a visual restriction to the right when exiting the Summer Lane. With the development south of Summer Lane bringing an increase in traffic, this will increase the risk of incidents involving vehicles & pedestrians.

The new playground will bring families & unaccompanied children to Summer Lane making safe access to pavements even more important.

Our village is being swamped by new developments when there is not the infrastructure in place to accommodate more traffic, prevent flooding & stop sewage overflow.

I object to yet another field of grade 1 farmland used for producing food turned into another housing estate.

I object to a Lane with right of way used by walkers, cyclists & dog walkers turning into a road.

Your views as made above will be considered before the application is determined.
