Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/30/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 23rd April 2026 which has been recorded as an objection with the comments as follows:

OWPC83074

Summer Lane is already too narrow, with cars often mounting the pavement to pass. It is not suitable for more traffic. The junction onto Pagham Road is also unsafe, with poor visibility when pulling out.

There is already a large development being built on the south side of Summer Lane, which will add significant traffic. This proposal would make an already bad situation worse and increase the risk of accidents.

I am also very concerned about flooding. Raising the land may push water onto nearby homes and roads, and it is not clear how this will be managed.

Pagham already feels overdeveloped, and this proposal would add further pressure while also building on agricultural land.

Your views as made above will be considered before the application is determined.
