Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No:	P/30/26/OUT
Site Address:	Land North of Summer Lane Pagham
Description of works:	Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 23rd April 2026 which has been recorded as an objection with the comments as follows:

OWPC83083

I OBJECT to this planning application
The reason I object to this planning application are:

Summer Lane is very narrow at the entrance/exit to it. It There have been many near misses with vehicles not able to pass safely. There are cars always parked along by the end houses. Making it very difficult and unsafe to pass each other. Especially when there are tankers coming up and down the road to and from the sewage treatment plant. Which happens very often throughout the day. Cars and vans pull up onto the pavement to avoid oncoming vehicles. Making it very unsafe for pedestrians using the pathway. Adding more houses to this area would be dangerous..

The area is already struggling with drainage, more development will worsen flooding.

The overdevelopment of Pagham as a whole has already reached a point where further building would be harmful to our community and the environment.

This will also be putting a huge strain on schools, doctor surgeries

Please note my objection to this application.
