Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No:	P/30/26/OUT
Site Address:	Land North of Summer Lane Pagham
Description of works:	Outline application with some matters reserved, except access, for up to 120 No residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 24th April 2026 which has been recorded as an objection with the comments as follows:

OWPC83144

We strongly regret to the proposals. We do not give our approval for these houses that are being built on agricultural fields. We get deer hawks and kites flying and hovering over these fields. We have enough new builds going up round our village that we are being swamped.As for more traffic coming and using summer lane you have to be joking, that's an absolute no . This is a bridle way and used by lots of cyclists runners dog walkers people just getting close to nature kids fishing and your going to ruin this for lots of people. The roads, the sewage, the schools , the non existent infrastructure cannot cope with any more houses. This is a one road in and one road out village what the hell are you thinking . NO NO NO

Your views as made above will be considered before the application is determined.
