Dear Planning Officer,, for what it is worth, the area of Nyetimber already being swamped with development, we strongly oppose further development. It will now enclose Mill Farm Estate both sides on its Conifer and Laurel area as well as what is already approved on its west of Pagham rd/ north of the estate. The whole area has been allowed to be blighted , with the excuse it's what the government require.
These two applications should be refused...overdevelopment, no infrastructure, loss of agriculture land. Sue and Alan Everett
