Dear Sir/Madam,

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 25th March 2026 which has been recorded as an objection with the comments as follows:

OWPC82391

Last summer I watched the bats flying up from the fields to my garden in Water Meadows. I believe they are living in the barn up the lane. How can building in the field where they are living be considered? Access in to Water Meadows is already tight with not enough space for two cars to pass, adding 100+ houses will make it extremely busy & not safe anyone, especially the dog walkers, children & elderly residents. Please consider this application very carefully, the impact will be huge.
Kind regards,
Laura Harrigan.

Your views as made above will be considered before the application is determined.
