Thank you for your internet representation made on 27th March 2026 which has been recorded as an objection with the comments as follows:

OWPC82442

We can not have anymore traffic down summer lane it's to busy now the land is full of wildlife deers birds rabbits which we enjoy watching the land also get flooded not a good idea to allow any more houses not enough schools doctors or hospitals to take another lot will ruin the out look and too close to the waterworks why keep building in a small village of Pagham we already have plenty of houses here look at the size of hook lane and they not finished building there so I object to more houses in pagham

Your views as made above will be considered before the application is determined.
