Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 1st April 2026 which has been recorded as an objection with the comments as follows:

OWPC82510

Almost all the residents here are elderly, retired and severely impaired physically meaning they are home all day everyday. The houses are basically double caravans with practically no sound insulation and the noise from Barfoots is already a problem. We moved here for peace and quiet and now you expect us to put up with even more disruption and construction noise with what will probably be for many of us our last few years on earth. There are limited shops and services, no medical facilities or schools in the village and if there's any accidents or roadworks on the pagham or bognor roads the traffic becomes terrible often taking an hour just to get to chichester a few miles away. There is already a site north of our residential site soon to be under construction, enough is enough. We will be prisoners in our own homes even then we won't be able to escape the noise. Let us see out our final years in peace please

Your views as made above will be considered before the application is determined.
