Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 3rd April 2026 which has been recorded as an objection with the comments as follows:

OWPC82539

1. The proposed development will place intolerable pressure on the existing flood defences and drainage capacity.
2. The proposed development will further threaten the natural habitats of birds and other animal life close to protected areas.
3. The proposed development cannot be supported by the existing road network which is already under severe pressure; and Summer Lane, the single access road to this and existing developments already under way, is wholly inadequate to cope with the resulting demand.
4. The proposed development will add significantly to the pressure being felt currently by the social, economic, educational and health care infrastructure of Pagham village and surrounding areas.
5. The proposed development will add further to the deterioration of the sense of community in Pagham village.

Your views as made above will be considered before the application is determined.
