Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 12th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82741

I strongly object to this proposal to build an additional 130 homes in Pagham on the basis of overdevelopment of this area. With the vast number of building developments both completed and in progress I feel the area is already suffering from a lack of additional infrastructure i.e. GPs, dentists, senior and junior schools, hospitals, together with flooding (which is now occurring regularly and becoming more intense each winter since the overdevelopment of this area has taken place). The roads are now not sufficient to cater for not only the building in Pagham but that which has taken place in Bersted and along Chalcraft Lane, pushing traffic through onto the Pagham Road. From what I have seen I feel that the amount new developments in Pagham is unfairly already above that being developed in other areas of Arun and additional sites be found to accommodate the numbers required.
I therefore am against this proposal.

Your views as made above will be considered before the application is determined.
