Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 14th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82786

I've lived here all my life, the place I love is being concreted over at an extreme rate, the character of Pagham is being totally obliterated. The area is totally overpopulated now, infrastructure is not able to cope, sewage ruining our beautiful beach, the potholes making driving very dangerous with cars swerving to avoid them. The flooding is now frankly quite frightening. The main road in and out of Pagham is often at a standstill. Getting to hospital etc for appointments has to have much more time allowed to get there. Our wildlife has nowhere to live, I regularly see deer wandering roads, our migratory geese who rely on our fields having to fly further to find somewhere to stop. We should be using these fields for growing food to feed our local people not importing it. Please Pagham already has too much housing - no more - it's become a nightmare to live here.

Your views as made above will be considered before the application is determined.
