Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 16th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82854

This proposed development will be built on arable land. Only just last year, crops were being grown here. It is a feeding ground for many species of birds and wild animals too. The situation regarding access for builders and home owners, is not clear and with Summer Lane being already somewhat restricted to vehicular access and with no street lighting, this could be problematic and present untold problems for those already living in Summer Lane. My worry is not just that the wildlife will have less places to thrive but that building on this land could present flooding issues further down the line as planning has already been approved for hundreds of other new homes nearby. Access by road to Pagham is via narrow roads which are already busy with farm vehicles and people leaving the village with their children to go to school and working outside of the village as there's not much employment here. with a large influx of people comes social housing and we're seeing an increase of crime and anti social behaviour already on Spindriff park.

Your views as made above will be considered before the application is determined.
