Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 22nd April 2026 which has been recorded as an objection with the comments as follows:

OWPC83059

I strongly object to this application as it represents a clear departure from the development plan and undermines the spatial strategy for the area.

The site lies outside the Built-Up Area Boundary, where development is strictly controlled. Approval would directly conflict with adopted policies designed to protect the countryside from speculative and unsustainable development.

Allowing this proposal would set a dangerous precedent, weakening the integrity of the Local Plan and opening the door to further piecemeal expansion into surrounding agricultural land.

The proposal therefore fails the plan-led approach required under national planning policy and should be refused.

Your views as made above will be considered before the application is determined.
