Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 22nd April 2026 which has been recorded as an objection with the comments as follows:

OWPC83061

I object on the grounds of highway safety and unsuitability of access.

Summer Lane is a narrow, constrained road already struggling to accommodate two-way traffic. Vehicles frequently mount the pavement to pass, creating clear risks for pedestrians.

The junction with Pagham Road suffers from poor visibility, particularly when approaching from the right. Local experience shows that previous "improvements" have not resolved this issue.

Introducing significant additional traffic from this development would materially worsen an already unsafe situation, increasing the likelihood of accidents and endangering both drivers and pedestrians.

The proposal therefore fails to provide safe and suitable access, contrary to national and local transport policies.

Your views as made above will be considered before the application is determined.
