Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: P/31/26/OUT  
Site Address: Land North of Summer Lane Pagham  
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 22nd April 2026 which has been recorded as an objection with the comments as follows:

OWPC83063

I object due to concerns regarding flood risk and drainage.

The proposal includes raising ground levels, which risks displacing water onto neighbouring properties. There is already evidence locally that similar actions have caused flooding issues.

The site lies within a sensitive coastal area where climate change is expected to increase flood risk over time.

The application does not convincingly demonstrate that the development can be made safe for its lifetime without increasing risk elsewhere, contrary to national policy.

Your views as made above will be considered before the application is determined.
