Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/31/26/OUT
Site Address: Land North of Summer Lane Pagham
Description of works: Outline application with some matters reserved, except access, for up to 130 No. residential dwellings including means of access into the site (not internal roads). This application is a Departure from the Development and affects a Public Right of Way.

Thank you for your internet representation made on 23rd April 2026 which has been recorded as an objection with the comments as follows:

OWPC83111

The roads & infrastructure around Pagham & Nyetimber are already woefully inadequate. There are insufficient Doctors, Dentists & local schools. The drainage & sewage systems are unable to cope with the number of houses & flats, despite to recent upgrade to the Pagham Waste Water Treatment system, off Summer Lane. Summer Lane is not suitable for large numbers of cars, let alone lorries. This lane is a cycle path, used by walkers (with or without dogs). The lane barely copes with occasional HGV going to the Water Works. This application, is simply excessive. Pagham has already had more than its fair share of housing, agreed over the last few years. Pagham has already had 1300 properties agreed. Time for other areas of Arun to accept housing.

Your views as made above will be considered before the application is determined.
