Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- **Research planning and building control history**
- **View any planning applications, plans, agreements, tree preservation orders or competent persons data**
- **Submit building control applications**
- **Submit planning application comments**
- **Report any planning compliance issues**

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Mr Cleall,

Everything is fine now, however, on the location plan, the lights need to be within the red edge, or, as an alternate, you may red edge each of the lights separately only and take the large red edge off of the plan.

Once I receive the amended location plan, I will be able to validate the application.

Thank you
Mrs Johnson

Hi Mrs Johnson,

Please find attached location plan for Pagham FC and block plan for Pagham FC showing the location of the floodlights.

The floodlights are marked as L Twr on the plans.

All we are planning to do ,is to replace the tops of the lights, like for like.

The poles will stay the same as they are now, with the wattage of each light being reduced from 10 to 8.

Also attached is the details of the proposed works and CIL form.

Payment of £234.00 will be sent by bank transfer tonight.

Please can you confirm receipt of email and reply to 

Any problems please let me know.

Regards
Stephen
Pagham FC Treasurer
