Dear Planning,

Proposal: Upgrade existing floodlights replacing only the light fittings. This site is in CIL Zone 4 (Zero Rated) as other development.

Address : Pagham Football Club Nyetimber Lane Pagham Bognor Regis West Sussex PO21 3JY

I have considered the above application and I can advise that we have no objections to the proposed scheme. We understand the application relate to the replacement and upgrade to existing floodlight to replace the existing fitting. Should new luminaire installed, we recommend the following condition to be imposed if approval is granted.

Light Condition

The 'horizontal luminance' levels on the playing surface / arena shall be submitted to and approved by the Local Planning Authority and be no greater than levels specified for the particular sport / activity and for the level of competition, as specified within BS EN 12193:2018 Light and lighting – Sports lighting.

Reason: In the interests of the amenities of neighbouring light-sensitive development

Regards
