Hi

I've added the 45 and 60 degree lines to the block plan but as its 1:500 its not very clear, so I have amended the existing and proposed elevations to show the adjoining properties

The main effect is on no.14 to the north east. No.16 lies to the north west so is not directly blocking sunlight, and the eaves height is modest at 2.4m. I could if it helps reduce the eaves height to 2.3m and maybe 2.25m at a push.

Attached
-block plan
-existing elevations
-proposed elevations

Thanks
Frank

Dear Mr Cook,

I hope this email finds you well. I'm emailing regarding the application for a rear conservatory at 16 Spinnaker View (ref. P/32/22/HH). Would it be possible for a 45 and 60 degree line to be drawn on the block plan? These lines should be taken from the centre of the closest neighbouring ground floor windows to the conservatory.

Kind regards,

Hannah Kersley
