Subject: Further Information request, 57 Harbour View Rd, Pagham: P/33/18/HH

57 Harbour View Road, Pagham, West Sussex, PO21 4RQ

Dear Sirs,

further to your letter dated 6th April 2018 reference P/33/18/HH and my subsequent telephone message today, please find attached the Block/Site Plan as requested. I have sourced this from one of the online companies referenced on the Planning Portal site. Whilst I had ordered a plan to match the requirements of the National Validation, there were very little options available to effectively personalise the document. I have added some detail to the plan but this is somewhat limited. Therefore, please read this in conjunction with my plan (57 HVR Plan layout - Proposed) and elevations for fine detail and measurements submitted with the application.

I can confirm that the amended description is fine, much improved on my long winded version!

I had provided a proposed side elevation with the original submission which shows in the list of documentation. However, as this was based on a copy of the existing elevation, I note that the measurement figures are faded out. I have therefore amended this and taken the opportunity to notate the drawing which will hopefully make things clearer and attach this for your information and records.

I hope that this satisfies your requirements, however, please do not hesitate to contact me if I can be of further assistance.

I look forward to hearing from you in due course,

kind regards

Dave Moore
