P/33/26/DOC

Little Welbourne Church Lane Pagham PO21 4NX

Approval of details reserved by condition under P/2/23/L relating to condition 3 (1.)- Windows & Doors.

The French doors are acceptable in principle, however the glazing bars are overly thick and would appear visually heavy and dominant within the openings. This would not be appropriate, particularly if repeated across the building, and slimmer glazing bar sections are required. The overall joinery is also on the heavy side, although the primary concern relates to the glazing bar thickness.
