Dear Sir / Madam,

Re P/34/26 NHA

I object strongly to make
disruption to my life here.
Heat pumps have been mentioned
I do not have double glazing.
Sleep with my window open.
Definitely don't want a Brrr
sound all day & night.
Light pollution with them on
the wall directly opposite.
The building has already
got problems with water.
It's all been dug up man.

In despair

No computers / smart phone
