Attachments: substitute Location & Context Plan.pdf

Mr Collins,

Application P/35/21/PL has now been closed and the Council's decision recorded. You are unable to make changes to that application. If you wish to submit an application for the proposals in this plan, you will require a new application.

Neil

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021. During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Subject: P/35/21 PL - Land at Summer Lane Pagham

Mr Vick

Please arrange for the attached Location and Context Plan to be put on the file in substitute for the original Location and Context Plan provided at submission. No change to the submitted application forms is required other than the Site Area of 11.70 Hectares specified in answer to Q4 needs to be altered to read 3.92 hectares and please take this e mail as being my authority for you to do so.

Since the application made can no longer be considered 'similar' to P/1/21 PL (previously refused and now at appeal) for the purposes of Section 70 b of the Town and Country Planning Act 1990 (as amended) please also confirm by return that the application will now be advertised and determined in accordance with the Councils extant Validation letter dated 24 March 2021.

Thank you

Paul Collins BA (Hons) DipTP
