Planning Application P/37/11 - 64 St Thomas Drive, Pagham

We wish to object with regard to two aspects of this planning application.

1. The application does not indicate in sufficient detail the construction of the car port, which will be directly adjacent to our Lounge window.
2. The construction of the store, due to its size and position, will significantly and adversely affect the natural lighting into our existing dining area, thereby reducing the amenity of our home.

If the Local Authority is mindful to grant the application we would request that it be determined by the Planning Committee so that we or our appointed agent can present our case.

Yours Sincerely

Mr Elwyn Morgan

Mrs J A Morgan
