Subject: [Mailwall-Spam:]re: p/37/11 - rear storage building and car port at 64 st

Dear Mrs Chapman,

Thankyou for your email.

The proposed car port does not extend beyond the front wall.

The store roof covering green mineral finish, car port roof to be poly-carbonate translucent.

Car port to be supported by the boundary fence posts or 70mm diameter metal poles sleeved by plastic.

Many thanks

Mat Holland
