Refusal

West Sussex County Council (WSCC), in its capacity as the Local Highway Authority (LHA), has been consulted on the proposed laying of an underground cable.

From review of the plan submitted in support of the application it is noted that the cable is situated primarily on private land for long lengths. However, while the scale of the plan does not make it clear on the precise location of the cable, it would appear that it is to be located under the highway along Seftor Road, Pagham Road and Lower Bognor Road. Consent will be required for works to be undertaken on the highway and for apparatus to be located under the highway. The Applicant is advised to contact the WSCC Streetworks Team on 01243642105 or highways@westsussex.gov.uk in order to obtain the necessary consents. Roadspace access and suitable traffic management will need to be agreed through these processes.
